Association's Program, The (November) 27
Canadian Gas Association Holds Twenty-Fourth Annual Convention (July) 70
Commercial Section (A.G.A. Convention) (November) 47
Committee on Meters (A.G.A. Convention) (November) 39
General Sessions (A.G.A. Convention) (November) 25
Heartening Meeting, A (A.G.A. Convention) (November) 24
Home Service Meeting (A.G.A. Convention) (November) 59
Industrial Gas Section (A.G.A. Convention) (November) 41
Michigan Association Discusses Natural Gas and Other Live Topics (August) 64
Natural Gas Department (A.G.A. Convention) (November) 30
Pacific Coast Gas Association Holds Epoch Making Convention (September) 69
Publicity and Advertising Section (A.G.A. Convention) (November) . 50
Technical Section (A.G.A. Convention) (November) 32
Automatic Butane Plant (September) 42
Awakening Old Memories (July) 47

B

Backrun Equipment (September) 52
Bituminous Coal in the United States, Future Possibilities (December) 51
Bituminous Coal to Oil and Gas, Relationships of (December) 51
BOOK REVIEW
American Gas Association Proceedings, 1930 (August) 64
Elements of Chemical Engineering (July) 72
Excellent Publication on Oxy-Acetylene Welding and Cutting (December) 64
Petroleum, Asphalt and Natural Gas Handbook (December) 64
Bottled Gas as a Trail Blazer (October) . 62
Building a Plan (August) 50
Bumper Business (October) 61
Bunker Oil, Use of (July) 68
Business Builder, A (August) 43
BUTANE
Automatic Butane Plant (September) 42
Butane Cooking School (December) . 40
Butane Plant for Pacific Coast, Large (October) 58
Dew Points of Commercial Butane and Butane-Air Mixture (July) 44
Gas Plant Goes Robot, The (October) 55
Butane and Butane-Air Mixture, Dew Points of Commercial (July) 44
Butane Plant for Pacific Coast, Large (October) 58
By-Product Ammonia, Notes on (December 29

C

Calculating Gas Heating Value from Analysis (August) 42
Campaign Begins, Ambitious (August) ... 51
Canadian Gas Association Holds Twenty-Fourth Annual Convention (July) 70
Canning and Baking Contest (September) 60
Can You Remember When? (October) .. 41
Can You Remember When? (December) . 36
Carbon Briquets as Generator Fuel (September) 50
Changeover on Volume of Sales, Effect of (August) 52
Changeover Troubles, Obviating (November) 60
Chicago Program, The (July) 64
Children's Stories Get Reader Interest (October) 84
Coal Conference Discusses Fuel Competition, International—(December) 51
Coatings for Pipes (November) 38
Coking of Washington Coals (December) . 32
Combustion Space Requirements, New Research Project in (July) 40
Condensation, New Device Overcomes (July) 28
Controlled Indoor Temperature in Treatment of Disease (August) 30
Customers Accounting Special Problems Committee, Report of (September) 74
Customers to Close Sales, Using (September) 61

D

Dealer Cooperation (July) 49
Dealers, Cooperation With (November) .. 28
Dealer Cooperation in Oklahoma (December) 40
Dealers' Gas Appliance Purchases for 1931 Show 60% Increase Over Last Year's Figure in Brooklyn Union Territory (December) 41
Display Moves Gas Heaters, Mass (October) 81
Display Rooms, Contest Paves Way to Greater (August) 59
DISTRIBUTION
Coatings for Pipes (November) 38
Committee on Meters (November) .. 39
Discussion of Distribution System Pressures, A (August) 33
Economics of Gas Distribution (November) 33
Effect of Higher Pressures on Gas Bill (July) 30
Fast Welding Cuts Line Costs (October) 59
Flashlight Performance, New Test Insures Better (July) 30
Gas Meter Diaphragm Dressings (November) 40
Gas Pressure Regulation (July) 34
Gum Formation in Distributed Gas (November) 38
Load Factor and Its Bearing Upon Gas Distribution Investment (October) 43
Metering Large Volumes of Air (August) 37
Origin of Dust and Its Elimination, The (July) 68
Physical Characteristics of Arc Welded Joints in Pipe Lines (August) 31
Pipe Joint Research (November) ... 37
Pipe Threading Tests (December) 29
Report of Measurement Committee Natural Gas and Transmission Division (September) 72
Report of Sub-Committee of Domestic Meters (September) 73
Report of Sub-Committee on Governor and Regulator Capacities (September) 71
Soil and Corrosion (November) 61
Soil Corrosion Studies During 1930 (August) 32
Sound Proof Insulation for Natural Gas Piping (December) 37
Transporting Natural Gas (November) 30
Trenching Machine—An Important Factor in Gas Distribution—The (August) 35
Use of Master Equipment in Pipe Handling, The (September) 53
Distribution System Pressures, A Discussion of (August) 33
Domestic Gas Appliance Course, Successful Third Annual (August) 62
Domestic Meters, Report of Sub-Committee (September) 73
Dust and Its Elimination, The Origin of (July) 68
